SPACE:MAKER SLIMLINE™ TRIPLE TRACK

SLIDING WARDROBE DOOR SYSTEM

Design Flexibility

Made to suit your individual requirements.

Space:Maker Slimline™ Triple Track wardrobes are suitable for either wall to wall, freestanding or corner return installations. Triple track three door panel wardrobes features two thirds opening for superior ease of access to wardrobe interiors. Constructed from high quality Australian Made aluminium extrusions, **Space:Maker Slimline™ Triple Track** is designed to suit an extensive range of configurations and applications.

Features

- 81mm width, this is considered standard for the majority of double track wardrobe systems.
- Greater interior accessibility with expansive two thirds door opening.
- Contemporary appearance.
- Continuous finger grip on all door panels provides additional strength and ease of use.
- Concealed concave 41mm diameter rollers and brackets for quiet operation and ease of adjustment.
- Head guide device prevents door panels from jumping off the track.
- Solid bottom rail facilitating a fully concealed roller assembly.
- Foot-friendly, easy-to-clean track.

Panel Variety

Space:Maker Slimline™ Triple Track is available in clear or tinted anti-shatter safety backed mirror panels and coloured safety glass. A wide range of acrylic, wood grain and vinyl finishes are also available. Plain panels for painting or wallpapering are an alternative for the do-it-yourself enthusiast.

Available from:

Contemporary Cushioning

Matching infill buffer with grip stile eliminates metal to metal contact and gives Space:Maker Slimline™ Triple Track a smooth, contemporary appearance.

Low Profile Bottom Track

Space:Maker Slimline™ Triple Track with a foot-friendly unobtrusive, low-profile design and easy-to-clean track, roller sideplay is virtually eliminated, producing a smoother sliding operation.

Concealed Convex Roller

Large 41mm diameter convex rollers and strong galvanized metal adjustment brackets, which are rebated and concealed in the door bottom, ensure quiet operation and allow for out of square adjustment to be made with the turn of a screw.

Solid Bottom Rail

Together, the solid bottom rail and V-grooved bottom track provide strength and durability, eliminating roller side play, resulting in a smooth sliding operation.

Exceptional Value

Indulge your imagination and create an absolute premium wardrobe design at a surprisingly affordable price.

Perfectly Secure Panels

Innovative head guide feature, which is incorporated in a panel screw fixing design, ensures the panels cannot jump the track and provides quiet rattle-free operation at all times.

Safety

Space:Maker Slimline™ Triple Track Sliding Wardrobe Door System is glazed to comply with the requirements of Australian Standards AS1288 and or AS2208.
